Commissioner of Patents

Dear Sir:

In response to the "Notice of Publication Fee Due" dated 09/21/01 received for the above-identified patent application, (copy enclosed), the Office is hereby notified that the Notice of Allowance and Issue Fee Due for the above-identified patent application was mailed on July 5, 2001 prior to the mailing of this Notice of Publication Fee Due. In accordance with guidance from the Office, when the Issue Fee was paid on September 21, 2001, "Publication Fee = \$300" was typed in the "Fee Due" box on the Form and both fees were paid (see Exhibit I). Both the Issue Fee in the amount of \$1,240.00 and the Publication Fee in the amount of \$300 have already been charged to the Hughes Electronics Corporation Deposit Account No. 50-0383 on 10/05/01 by the Office (see Exhibit II, copy of excerpt from Deposit Account Statement attached hereto with the publication fee charge in question highlighted). It appears that this Notice of Publication Fee Due is being erroneously sent after receipt by the Office of the necessary Publication Fee.

In view of the foregoing, the Office is requested to withdraw this Notice of Publication Fee Due and acknowledge that the Publication Fee has already been paid.

Respectfully submitted,

By: Vijayalakshmi D. Duraiswamy

Date Mailed: 09/21/2001

NOTICE OF PUBLICATION FEE DUE

The above-identified application was filed (including as a Continued Prosecution Application) on or after November 29, 2000 and a non-publication request in compliance with 37 CFR 1.213 was not included with the application on filing. Since the application has been allowed, a publication fee is due.

The fee due is \$300.00. No small entity discount is available. See 37 CFR 1.18(d).

The reply to this notice should be mailed to Box ISSUE FEE, Commissioner for Patents, Washington D.C. 20231.

The publication fee must be submitted within **THREE MONTHS** from the mailing date of this notice or the application may be regarded as abandoned. No extensions of time under 37 CFR 1.136(a) or (b) are available. A reply must be filed to this notice, even if applicant does not anticipate that the application will be published (e.g., because the patent has issued and the projected publication date is more than a month after the issue date of the patent). A proper reply to this notice in such a situation would be a statement that no fee is now due, citing 37 CFR 1.211(e).

If publication of the application does not occur and applicant requests a refund, any publication fee paid will be refunded. See 37 CFR 1.211(e).
